

About IISSM

The International Institute of Security and Safety Management (IISSM) is a non-profit educational society registered under the Indian Societies Act. It is devoted towards promoting professionalism among security and loss prevention practitioners and creating all round security awareness and consciousness amongst personnel in the related management cadre. IISSM is the Asia's oldest society in the field of security and loss prevention, which is continuously engaged for the last 21 years in spreading and disseminating latest developments and techniques in the area of security and loss prevention. It offers consultancy services and runs customised and thematic courses covering all aspects of industrial security, safety, fire prevention, loss prevention and allied subjects. It acts as a catalyst to bring professionals together for experience-sharing and updating professional knowledge through numerous training courses, seminars and workshops. It has an elaborate Professional Certification Programme for security and safety practitioners and consultants and bestows Fellowship on highly deserving professionals.

Every year since 1991, IISSM has been organising International Seminars, attracting a large number of security and loss prevention professionals from India and abroad. Faculties in

these Seminars comprise of well-known experts drawn from all over the world. Participants come from private sector industries, public sector undertakings, private security agencies, systems integrators, security equipment manufacturers, academic institutions, financial institutions and banking industries as well as departments and ministries of the government. Several Countries such as Australia, Bangladesh, Belgium, Canada, Denmark, France, Germany, Hong Kong, UK, USA, India so far represented in IISSM Training Programmes.

IISSM has recently entered into a MoU with the International Institute of Risk and Safety Management (IIRSM), UK, for accreditation of training centres, trainers and Courses as also to run focused courses on Loss Prevention with IIRSM as a Knowledge partner. A proposal to offer dual membership (IISSM & IIRSM) to each other members is in advanced stages of consideration.

IISSM also proposes to conduct PG Diploma, Degree and MBA level courses (Level 1, 2 and 3) in collaboration with Indira Gandhi National Open University (IGNOU).
